

Hotel La Floridiana

Route from the port of Capri (Marina Grande)

After disembarking at the port of Capri, the fastest way to reach the center, Piazzetta Umberto I, is the funicular, which takes only 3/4 minutes and has only one stop; you can also take a taxi or a bus to easily reach the center, but this takes around 15 minutes.

Once you reach the Piazzetta, with the clock tower behind you, walk about 150 meters, through the pedestrian area along Via Vittorio Emanuele, turn left on Via Camerelle and after about 100 meters turn right into Via Ignazio Cerio. Then, after about 100 meters, turn left on Via Campo di Teste and after 100 more meters you will be at our hotel.

Although the distance to the hotel is short, we suggest using the convenient paid luggage transport service on an electric trolley, both from the port and from the Piazzetta, especially if your luggage is bulky and heavy.

To and from the port of Capri, you can use the baggage transportation services of Cooperativa Portuali that will welcome you at the landing. You can easily recognize their staff by their blue shirts with their logo, and the service is very safe and quick. Just tell them the name of our hotel and you will soon receive your luggage in your room.

We can offer a paid luggage service to and from the Piazzetta with our electric trolley, after prior reservation.

The hotel is not accessible by car, since the entire center of Capri is only for pedestrians, and this is also the reason why we cannot provide a shuttle service.

We can arrange private transportation to and from Naples or Rome, also by private boat or helicopter. Just ask us how.

To summarize:

The hotel is located in the central, pedestrian part of Capri.

From the Piazzetta, it is accessible only on foot.

A paid luggage transportation service is available to and from the port (Cooperativa Portuali) or to and from the Piazzetta with our electric trolley, on prior reservation.
